### Description

Introducing the new HSP 1/10 RC Mongoose BL Brushless 2WD electric buggy. This is a great entry level RC buggy to get you started in the exciting hobby of RC (Radio Control). It ticks all the boxes and comes with everything you need (except 2 AA batteries for the remote). HSP has gone all out on this 1/10 2WD RC buggy!

This is HSP's fastest 1/10 RC electric brushless buggy to date, topping out at 55Kph straight out of the box!

It has a durable 2WD chassis, powerful 3300KV brushless motor, 3500mAh 7.4v LiPo Battery, G.T. Power B3 LiPo Charger that charges the included battery in just over 2 hours! Not only that, you can even enjoy this RC buggy on rainy days as this beast is 100% waterproof!

To power this RC buggy through air, grass, mud, water, and anything else you can throw at it is the Hobbywing brushless BVA ESC & a powerful 9652 (640 Size) 3300KV brushless motor! Whether you're just starting off in the hobby or simply wanting to expand your RC range, the HSP 1/10 Mongoose BL is the ultimate package!
