Description

FEATURES:

1. Turn front, turn back, turn left, turn right, bucket rise and decline, the lamp before and after light on.

2. Suitable model four-wheel drive. Enough power to support climbing effortlessly.

3. Bucket, cab and wheel are all made of hard metal. Rubber Wheels increase the thickening of the rubber wheel (more slippery wear-resistant).

4. Bucket maximum load 220g.

5. Irrespective of the size and other physical attributes, the fact that this RC bulldozer can really work like the real thing.

PACKAGE INCLUDE:

1 x RC Car

1 x Transmitter

1 x Battery Pack

1 x Charger

1 x Manual

1 x Antenna
