### Description

The 1968 Dodge Dart was hot with the 440 engine, but Chrysler also made an even hotter limited number of ultra high performance Darts equipped with a HEMI engine. Scale 1/25. 172 parts. 20.3 cm length. From 14 years.

The 1968 Dodge Dart was hot with the 440 engine, but Chrysler also made an even hotter limited number of ultra high performance Darts equipped with a HEMI engine. These were light weight Dart GTS hardtops and Chrysler noted they were "intended for use in supervised acceleration trials and not intended for general highway use" and were delivered with no warranty. - Optional 425 cubic inch HEMI with two carburetors or 440 cubic inch engine with single carburetor. - Stock interior, hood, wheels and suspension or racing version interior, suspension, hood with scoop and drag slicks. - Decal with factory stock markings plus drag race graphics. - Model in white, transparent red and clear with chrome plated parts and soft black tires.
