### Description

In world of Formula One, Colin Chapman was the founder, designer and key man behind Team Lotus F1 successes.

This presentation box set features three high detailed 1:32 scale slot car models.

**Lotus 25** - His first championship victory came in the hands of Jim Clark behind the wheel of the ground-breaking Lotus 25. Powered by a 1.5 litre engine this small nimble machine proved to be an excellent all-round racing car.

**Lotus 49** - His next landmark design was the superb Lotus 49. Clark also enjoyed success in this car, as did his one-time rival Graham Hill, with Hill winning a world championship in the car.

**Lotus 79** - Completing the set is the iconic Lotus 79. A DFV powered masterpiece that in JPS livery is THE Formula one car of the 1970s and surely the best looking F1 car in all of Scalectric's history.

Supplied in the Scalectric 'Supercar' brand box.
