Description

Artesania Latina presents their brand new Sopwith Camel in 1/16 scale, one of the most detailed and historically accurate replicas on the market. This kit uses metal and wood to build the aircraft just as the real one. The British WWI biplane fighter aircraft was the biggest enemy of the Fokker DR.1. The Artesania Sopwith Camel F1 1918 wooden aircraft model kit is highly realistic with many fine details and accurately recreates one of the most famous aircraft of World War One.

Assembled Dimensions: 36 x 53 x 17cm
